Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Motion-Planning With Inertial Constraints There has been much recent research into many motion-planning problems as computational problems, but there has been little work done on the problem of motion-planning in the presence of constraints on velocity or acceleration. The relevance of such studies is rendered plausible in the following scenario: an automated manufacturing system is...
