Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.Discover God Together was first designed for and now is being used by Christians who are stepping in obedience into Jesus command and commission to make disciples. It equips disciple-makers with an actual plan to meet weekly with one new believer and dialogue together about the real Christian life they have both committed to. It is the what-next after initial evangelism and it is geared for the priesthood of all believers. Discover God together is different from descriptive and defining books regarding discipleship in that it provides what to talk about and enough needed direction for each week a discipler meets with a person he/she is discipling rather than laying the foundational need from scripture about what discipling is or should be. Likewise, it is not so much a how-to book but a do-this book with the goal of modeling talking about God. Also, Discover God together differs from workbook style Bible studies or devotionals in that its goal is to equip and guide people in moving forward from knowledge alone to actual relationship with God and others. Discover God Together, in 50 weekly discussion topics, covers necessary application for life with God as a follower of Jesus Christ. Topics such as: Who is God the Father? Who is God the Son? and Who is God the Holy Spirit? What is the makeup of a human created by God? What is the Bible? and many life issues everyone faces all work slowly to begin the maturing and transformational process in one s walk with God. We are seeing Christians who are not teachers or preachers experience the joy of helping another newer believer become vibrant and alive in...
