

## Labor's Civil War in America (Paperback)

By Calvin Winslow

PM Press, United States, 2010. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book. A clear analysis of tactics and politics, this thorough account examines the dispute between the United Healthcare Workers (UHW) union in California and its parent organization the Service Employees International Union (SEIU) one of the most important labor conflicts in the United States today. It explores how the UHW rank and file took umbrage with the SEIU's rejection of traditional labor values of union democracy and class struggle and their tactics of wheeling and dealing with top management and politicians. The resulting rift and retaliation from SEIU leadership culminated in the UHW membership being forced to break out and form a brand new union, the National Union of Healthcare Workers (NUHW). Timed to coincide with elections in California, this detailed history calls for a reexamination of the ideological and structural underpinnings of today's labor movement and illustrates how a seemingly local conflict speaks to the rights of laborers everywhere to control their own fates.
