

Save the Monarch Butterfly (Paperback)

Filesize: 3.12 MB

Reviews

Complete information for publication fans. Better then never, though i am quite late in start reading this one. Its been written in an extremely straightforward way in fact it is just soon after i finished reading this ebook in which basically altered me, change the way i believe.

SAVE THE MONARCH BUTTERFLY (PAPERBACK)

[DOWNLOAD PDF](#)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. You can save the Monarch Butterfly From the #1 Best selling author of Bless the Bees comes the definitive solution for saving the beautiful Monarch Butterfly from extinction. Be a part of the solution The beautiful, stained glass wings of the Monarch butterfly used to be a frequent sight in North America. Now, unfortunately this majestic creature is threatened with extinction due to environmentally non-friendly agricultural practices which have all but destroyed the breeding grounds in the route of its fantastic 3,000 mile migration route. Learn the simple ways you can help save the Monarch from extinction, while at the same time learning how to save mankind. The Monarch Butterfly can't speak for itself, but it is trying to tell us something The Monarch is an indicator species. Endangerment of an indicator species is an indication of something terribly wrong in our environment. Scientists say that we are on the verge of a Sixth Mass Extinction. The last mass extinction was 65 million years ago, with the disappearance of the dinosaurs. Saving the Monarch is saving ourselves The same things which threaten their existence; habitat destruction, pesticide contamination, climate change and lack of biodiversity, are the same things that threaten our own. Learn simple ways to help save the world as we know it. Here's what others are saying I like this book; it's condensed, and quickly and easily identifies the problem areas and points out what must be done if we are to be saved. The Eades have authored a compelling narrative about these vital creatures and their imminent extinction. An amazing purchase. We're super happy with this. Fine service; a book with...
