Stephen King You like to be entertained. You like to be intrigued. You prefer your short stories with a twist of lemony surprise. Harlequinade has a cast of different characters, all memorable and each with their own unique story . What happened to the boy lost on a Greek island years ago? Will an Internet liaison throw up more than was bargained for? How would you react if asked to turn off a life-support machine? Can an inveterate womaniser seduce an apparently glacial librarian? What is the life story behind the tramp trying to hitch a lift? Can a bet on a horse or the throw of a dice change a life? Delve within these and nine other entertaining and affecting bite-sized stories. Try a kiss in the dark from a stranger . you might get to like it.
