Cambridge University Press, 2009. Softcover. Book Condition: New. First edition. Accounting: AS Level and A Level meets the requirement of the University of Cambridge International Examinations (CIE) syllabuses for AS Level and A Level Accounting, and is endorsed by CIE for use with these examinations. This means that the book is suitable for one-year AS Level course and for two-year A Level course. As well as preparing students for the requirements of the examination, the book helps develop the required computational, accounting, problem-solving and written skills. Theoretical and practical aspects of all topics are covered, with teaching points being illustrated by fully worked examples and exercises to test students' understanding. Features include: ? Examination hints ? Multi-choice questions at the end of each chapter ? Additional exercises from past papers ? Clear worked examples ? Diagrams and charts to illustrate teaching points ? Grid to distinguish between AS topics and A Level topics ? Answers to the chapter exercises and multiple-choice questions in the appendix
