## THE ANOINTED SON: A TRINITARIAN SPIRIT CHRISTOLOGY (PAPERBACK)

Wipf Stock Publishers, United States, 2010. Paperback. Book Condition: New. 231 x 150 mm. Language: English . Brand New Book. Spirit Christology complements Logos Christology in the same way in which Christ and the Spirit are mutually constitutive. Or at least this should be the case. The history of Christian thought shows that Logos Christology has dominated, resulting in both an eclipse of Trinitarian doctrine and a diminution of pneumatology. Recently there have been calls to reclaim a theology of the Third Article in order to present a Trinitarian theology that is faithful to Scripture, the Great Tradition, and one that is existentially viable. While studies examine various aspects of Spirit Christology there has yet to appear a work that introduces the doctrine, examines the various mutually exclusive proposals, and offers a constructive trinitarian proposal. The present work does just this, introducing the constituent features of a Spirit Christology that is Trinitarian, orthodox, and contemporary. The current work proposes a model of Spirit Christology that complements rather than replaces Logos Christology and does so in a robustly Trinitarian framework. Within contemporary theology a pneumatically oriented approach to Christology is being advanced across denominational and traditional lines. Those wanting to navigate their way through the many competing proposals for a Third Article theology will find a comprehensive map here. This is an important and useful book. Many treatments of Spirit Christology evade not only the difficult questions, but also the intriguing pneumatological possibilities that a biblically-grounded Spirit Christology raises. Habets has neither evaded the questions nor missed the opportunities presented. Insightful, constructive, and at times daring, this study seeks to reassert the importance of third article theology for the teaching, proclamation, and mission of the church. --Gary D. Badcock Huron University College The work of Myk Habets promises to put New...
