Createspace, United States, 2012. Paperback. Book Condition: New. 205 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****. Prepping your horse for a first ride requires plenty of ground work. Here are your step-by-step instructions. This book provides simple and objective training for the unbroken horse, from first-time bridling and saddling to backing out, bridle work from the ground, pre-mount work, and your (necessarily short) first ride. You'll learn the proven methods of John Lyons, tips to keep you safer, and tricks to save time. Today's the perfect day to get started putting a proper foundation on your horse, a solid start that will pay big dividends for the rest of his life. Developing a good feel for when and how to pick up and drop those reins will make training easier at all stages of your horse's life -- especially when astride a young and nervous colt when clear communication is most paramount. Finally, pinned to the tail of this book, you'll find Cinchy Horses. Should you find yourself training a youngster who's especially goosey...
