Despite battling the memory of the drowning deaths of her younger sister and alcoholic parents, Sara is determined to make peace with her past. However, she soon learns that the elusive psychopath who strangles his victims, snaps their necks, and then buries each along with a dead animal, is now stalking her. Sara's attempt to rebuild her life is hindered even more by the discovery of skeletal remains both on and near her property. She must move out as the criminal investigation focuses on suspects like the gravedigger Crazy Ike, a cat-killing vagrant, a Peeping Tom, and several others who may be connected to the twenty-eight victims.
