Dodo Press, United Kingdom, 2008. Paperback. Book Condition: New. 221 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Edward Bellamy (1850-1898) was an American author and socialist, most famous for his utopian novel set in the year 2000, *Looking Backward* from 2000 to 1887, published in 1888. His books include *Dr. Heidenhoff's Process* (1880), *Miss Ludington's Sister* (1884), *Equality* (1897) and *The Duke of Stockbridge: A Romance of Shays Rebellion* (1900). His feeling of injustice in the economic system led him to write *Looking Backward* from 2000 to 1887 and its sequel, *Equality*. In *Looking Backward* from 2000 to 1887 an upper class man from 1887 awakens in 2000 from a hypnotic trance to find himself in a socialist utopia. It influenced a large number of intellectuals, and appears by title in many of the major Marxist writings of the day. His novel also inspired several utopian communities. A short story *The Parable of the Water-Tank* from the book *Equality*, published in 1897, was popular with a number of early American socialists. Less successful than its prequel, *Equality* continues the story of Julian West as he adjusts to life in the future.
