In this first story of Amphitptertic, a nation of fourteen villages and twelve forests, war looms on the horizon, and one man may hold the key to peace. Twenty-five-year-old James Torres has just arrived home from traveling to the neighboring villages. While he looks forward to returning to normalcy, his life is about to change when he s asked to meet with King Madison III and his advisors. Curiosity plagues him as the king tells him that Amphitptertic was foretold three special prophecies. Are the prophecies real? James struggled to find reality in the midst of mind-boggling circumstances while simultaneously trying to save the nation from the impending war that threatens the country. Can Amphitptertic reforge the alliance that the king always wanted? But more importantly, can the Changelings, an outcast race who once betrayed the humans, be trusted again? James might not be much help, but that s not going to stop him from trying.
