Under the rule of populist President Hugo Chavez, first elected in 1998, Venezuela has undergone enormous political changes, with a new constitution and unicameral legislature, and even a new name for the country, the Bolivarian Republic of Venezuela. Human rights organizations have expressed concerns about the deterioration of democratic institutions and threats to freedom of expression under the Chavez government. President Chavez won reelection to another six-year term on October 7, 2012, by a margin of 11, capturing about 55 of the vote compared to 44 for opposition candidate Henrique Capriles. While Chvezs continued popularity and use of state resources helped his reelection, high rates of crime, inflation, and other economic problems eroded his support somewhat as did an energetic campaign run by Capriles. Looking ahead, Venezuela is schedule to hold state elections on December 16, 2012. Henrique Capriles will run for reelection as governor of the state of Miranda against former Vice President Elias Jaua. At this juncture, Chavez appears to have bounced back from two bouts of an undisclosed form of cancer, although his health status raises questions about Venezuelas political future. This item ships from La Vergne,TN. Paperback.
