As a military aide to George Washington, forceful critic of the Articles of Confederation, persuasive proponent of ratification of the Constitution, first Secretary of the Treasury, & leader of the Federalist party, Hamilton devoted himself to the creation of a militarily & economically powerful American nation guided by a strong republican government. His public & private writings demonstrate the perceptive intelligence, confident advocacy, driving ambition & profound concern for honor & reputation that contributed both to his rise to fame & to his tragic early death. Arranged chronologically, "Writings" contains more than 170 letters, speeches, essays, reports, & memoranda written between 1769 & 1804. Included are all 51 of Hamilton's contributions to "The Federalist", as well as subsequent writing calling for a broad construction of federal power under the Constitution; his famous speech to the...
