Other books by Jan Kolb: Compassion for All Creatures Journal of Love The Enchantment of Writing Higher Ground Beneath the Stars and Trees . . . there is a place Beside the Still Waters In Corridors of Eternal Time Solace of Solitude A Pilgrim on Lifes Road As we move through the events in our lives, we discover that our attitudes and outlooks are profoundly affected by these events. We face problems and decisions a little differently because of each thing that happens. We are never a finished product. With some of us, these events are assigned to memory where they fade with time. With others, these events are recorded, not just as memories, but as journal entries, diary notes, prose jottings, or letters. Others enjoy recording these events as poems. In Cherishing you will find some of the authors efforts at recording things that have made her who she is. Poem writing for her has become as much a part of her life as preparing a meal or taking care of her family. You will find in this book not only poems, but comments about the source of inspiration, or the event that caused the poem to be written. Its an insightful look into the authors experience, but also can cause you to think differently about your own life. Poems can make you laugh, cry, feel love, experience anger, and discover much about yourself. Its a different kind of a poetry book, and one you are sure to enjoy. As you read a poem think what the appeal of the poem really is. What emotions or thoughts is it trying to direct you toward Does it lead you to reflect on an experience...
