Jaypee Brothers Medical Publishers (P) Ltd., 2011. Softcover. Book Condition: New. First edition. Key Feature This book contains the subjects taught in the IIrd Year BDS course including questions and answers along with description of various anomalies in general medicine, general surgery and oral pathology. Provides an overview of the complete subjects by covering important topics in notes-form rather than questions and answers. The entire text is based on the questions frequently asked in the university examinations of the last 10 years of various universities. An indispensable book for not only last minute revision but also for thorough retention of important points and topics throughout the year. Table of Contents GENERAL MEDICINE 1. Symptology 2.
