This item is printed on demand - Print on Demand Neuware - Research Paper from the year 2015 in the subject Business economics - Economic Policy, Aalborg University (Paper presented at the International Telecommunications Society Conference in Spain (2015)), language: English, abstract: This paper examines the role of stakeholders on implementing the universal services policy in Vietnam (interval 2005-2010) in order to clarify their impact and their position on performing the policy. The stakeholder theory is employed to identify and categorize the stakeholders. The authors are to look at the role of the stakeholders such as the national government, international organizations, policy intermediaries, companies, and customers/citizens via applying the qualitative method to gather data and analyse the secondary document. The qualitative approach of interviews on some officers who participated in building up and operating the policy was also conducted. The results demonstrate that stakeholders have a huge impact on the success of the universal service policy. 24 pp. Englisch.
