Brand New Book ***** Print on Demand *****.Excerpt from Personal Traits of British Authors This volume presents a company of friends. These men were bound together by strong sympathies, yet differed enough in temperament and character to give zest and variety to their intimacy. That intimacy was unmarred by dissension or misunderstanding, and was only broken by death. There was one exception - Hazlitt quarrelled with Wordsworth and Coleridge on account of their conservatism. He had known them in youth as ardent enthusiasts, advocates of the French revolution, and could not forgive a change of political convictions which, to him, seemed mere apostacy. His fiery intolerance made him regard his old friends as time-servers and renegades. This, however, was the only break in the harmony of these comrades. Suppose that some lucky man were enabled to wander back into the past, and to place himself at will in the scenes and among the companions of his choice.
