Tor Books, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "There's enough color, vitality and bravura displays of mythmaking in this rich sampler to sate faithful fans and nurture new readers on the stuff of legends still being created." Publishers Weekly (starred review) "An enjoyable sampler of the best high fantasy available today." San Francisco Chronicle "Best Anthology of the Year." Rocky Mountain News "A dream team . . . Legends is the rarest of the rarean entire collection of original short novels by top fantasy writers . . . Here is a dab of each writer at the top, a worthy sampler that could yield a reader someone new to enjoy." USA Today "Orson Scott Card, Ursula Le Guin, George R. R. Martin, Anne McCaffrey, Robert Jordan, et al. It reads like a who's who of modern sf/fantasy writers. This anthology is a stellar compilation of new stories by 11 masters of the genre, with each tale set in a well-established and well-loved universe. Stephen King leads off with a grisly but compelling episode in the Dark Tower saga. Terry Pratchett's offering is an amusing incident in his Discworld series; editor Silverberg revisits the Majipoor of Lord Valentine; Tad Williams tells a haunting story that stems from his Memory, Sorrow, and Thorn trilogy; and Raymond Feist spins a poignant tale of revenge within his Riftwar setting. Fans of Jordan's massive Wheel of Time saga will be especially interested to learn just how Lan and Moiraine first met and how their search for the baby who would become the Dragon Reborn began. Silverberg sets the scene with a fine introduction to fantasy in general and the contributors in particular; each of the novellas is preceded not only by an introductory note on the...
