Brand New Book ***** Print on Demand *****.Excerpt from Report of the Commission on Administrative Legislation A resolution adopted last year at Kansas City recommended that a commission of ten be created, to be known as the Commission on Administrative Legislation, to work out details in the form of rules suitable for adoption by boards of education, and model laws to be recommended to legislatures, and to present these to this department for action at the next annual meeting. In the performance of this duty the Commission on Administrative Legislation was instructed to give special attention to board rules and laws now in operation, and to support its recommendations by direct reference to such rules or by-laws. In compliance with these instructions the following tentative report is submitted for your consideration. The adoption of the resolution recommending the creation of this Commission resulted from the report of the Committee on Relation between Boards of Education and Superintendents, which submitted to the department at its Kansas City meeting a report including certain general principles which should be followed in the organization and determination of the powers of boards of education, and which should govern the relation between boards of education and superintendents. The following statements briefly summarize these principles, which were adopted by the Department of Superintendence and which governed this Commission in its preparation of this report: 1. A board of education should represent the school district as a whole and not by districts or wards. 2. The board of education should not be a subordinate body to any other branch of local government, but should have complete autonomy. 3. Definite and large responsibilities should be placed upon the executive head of the schools...
