Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Visiting Nursing in the United States: Containing a Directory of the Organizations Employing Trained Visiting Nurses, With Chapters on the Principles, Organization and Methods of Administration of Such Work This Directory is issued for the purpose of showing what is being done in this country through the services of the trained nurse in what has for many years been known as District Nursing, and in the more recent extension of her activities in tuberculosis, school (medical inspection), social welfare, and other more general social work. It is hoped also that the book may be an assistance to those who are planning to establish new societies for service along similar lines. Every effort has been made to gather information regarding the various organizations throughout the United States that employ visiting nurses, and the statements contained in these pages are based upon facts gathered from annual reports, letters, and replies to a set of uniform questions which were sent to each organization. Probably some have not been reported, and others may have been created since this Directorv...
