

Dumb Money: Adventures of a Day Trader

By Joey Anuff, Gary Wolf

Random House Inc, Westminster, Maryland, U.S.A., 2000.
 Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. NEW HARDBACK. DJ in Clear, ARCHIVAL MYLAR WRAP. NO remainder mark. "As you read this, five million Americans are day-trading. Not since gold was discovered in California have more people dropped out of their old lives and come running for the promise of a big score. For a time, Joey Anuff was among them. He has emerged-enriched, enlightened, and exhausted-to share his story. In a marriage of Anuff's own experiences with the brilliant investigative work of his Wired and Suck colleague Gary Wolf, Dumb Money explores and explains the world of day-trading as has never been done before. No strategy is too crackpot to try, no news break too dubious to play off, no so-called guru too shady, no online chat room too pathetic. Using the rhythms of a day trader's typical day as its frame, Dumb Money is a dispatch from the front lines of the stock-market revolution, a brutally Darwinian battleground on which some become wildly rich and more become part of the body count. It is essential reading for online investors, off-line investors, voyeurs, concerned citizens, and adrenaline freaks alike."...

This is actually the finest ebook we have go through until now. It is writer in straightforward words and phrases instead of difficult to understand. Its been designed in an remarkably straightforward way and is particularly just following i finished reading through this book by which basically changed me, change the way in my opinion.
