## THE FEMININE LAW: FREUD, FREE SPEECH, AND THE VOICE OF DESIRE (PAPERBACK)

[DOWNLOAD](#)

KARNAC BOOKS, United Kingdom, 2016. Paperback. Book Condition: New. 230 x 147 mm. Language: English . Brand New Book. *Feminine Law: Freud, Free Speech, and the Voice of Desire* explores the conjunction between psychoanalysis and democracy, in particular their shared commitments to free speech. In the process, it demonstrates how lawful constraints enable an embodied space or gap for the potentially disruptive but also liberating and novel flow of desire and its symbols. This space, intuited by the First Amendment as it is by Freud's free association, enables personal and collective sovereignty. By naming a feminine law, we mark the primacy a space between the conceivable and the inconceivable, between knowledge and mystery. What do political free speech and psychoanalytic free association have in common, besides the word free? And what do Sigmund Freud and Justice Louis Brandeis share besides a world between two great wars? How is the female body a neglected key to understanding the conditions and contradictions of free discourse? Drs. Jill Gentile and Michael Macrone take up these questions, and more, in their wide-ranging, often passionate exploration of the hidden legacy of Freud and the Founding Fathers. These pioneers, through their imprecise instructions to fight repression, set in motion incessant processes by which we claim power and agency. These processes come into sharp focus in the analytic clinic. The authors show that psychoanalysis is not just a method of treatment, but also a practice of transitional democracy, in which doctor and patient together discover the very basis of equality, as they learn how to navigate its essential flux, both in relationships and in public action. *Feminine Law* illustrates these ideas through detailed portraits of political and clinical struggle-in Constitutional battles and dynamic case studies. It tells stories of victory and setback, advance and retreat....
