

## Micropalaeontology in Petroleum Exploration

By Robert Wynn Jones

OXFORD UNIV PR Jun 2005, 2005. Taschenbuch. Book Condition: Neu. 249x192x30 mm. Neuware - Many papers have noted the association between micropaleontology and petroleum exploration, but no book has ever provided a comprehensive and thematic treatment. This book attempts to do just that. It begins with an overview of pure micropaleontology, then treats the principles and practice of applied micropaleontology and sequence stratigraphy; case studies of applications in various geographic, geologic, and stratigraphic settings are given. The final section deals with applications outside petroleum exploration, with sections on environmental monitoring, coal mining, mineral exploration and exploitation, and engineering. Extensively illustrated and referenced, this book will benefit academic and commercial paleontologists. 452 pp. Englisch.

### Reviews

*It in one of the best book. Better then never, though i am quite late in start reading this one. You wont feel monotony at at any moment of the time (that's what catalogues are for regarding in the event you check with me).*

-- **Dr. Kristin Dickens**

*A whole new e book with an all new point of view. It is one of the most incredible book i actually have go through. I am easily could possibly get a enjoyment of reading through a written book.*

-- **Nathanael Treutel**
