From his experiences he has a message for you; life isn t about that you go through, it s about what you overcome. Using a fictional story of a young man who realizes one day that he has lost his path in life, Mr. Spriggs lays out the principles that can help you through any difficulty. In a series of short teachings written from a Christian perspective, you will come to understand the difference between someone who succeeds and someone who fails, and be given the tools to become someone who succeeds.
